'HOPE' TO LOSE DEAN LICHTY REEVERTS ACCEPTS DEANSHIP

Dr. Hromadka To Address Hopeites At Graduation

Dr. Joseph L. Hromadka will present the address at the commencement exercises to be held in the Hope Memorial Chapel on Wednesday, June 4. Theologian Walter Marshal Horton has spoken of Dr. Hromadka in a recent book as "the leading Protestant mind in Central Europe."

During World War I he served as a chaplain in the Austro-Hungarian army. He later became a professor at the John Huss School of Theology in the University of Prague. With the coming of World War II, he incurred the wrath of the German Gestapo prior to the march into Prague, and at their coming, escaped into Switzerland with his wife. They were able to take only a couple of suitcases and \$2.00 apiece in their rushed escape. Later he was invited by both the Union Theological Seminary and Princeton Seminary to lecture. He accepted both offers and is at present holding a guest professorship at Princeton. Dr. Hromadka is widely known in the literary field as the author of twelve volumes and is also a regular contributor to leading theological and philosophical journals. Because of his vast knowledge of languages he was sent to Central Europe recently by the World Council of Churches to investigate the conditions of the churches there. Shortly after commencement exercises at Hope, Dr. Hromadka expects to return to Hungary with his family to take up permanent residence there.

Sunday, June 1, has been designated as Baccalaureate Day. The Rev. Harry H. Hager, Ph.D., D.D., will be the Baccalaureate speaker. Dr. Hager, former Hope Bible professor, is the pastor of one of Chicago's largest churches, which is located in Roseland, Chicago. He is president of the Reformed Church General Synod which begins its sessions on Hope's Campus on June 6.

The Alumni banquet will be held Tuesday, June 3. The Rev. Benjamin J. Busch, D.D., will address the Alumni. Dr. Busch is a member of the class of 1906. He is the former pastor of a Presbyterian Church in Louisville, Kentucky, but more recently he has been the pastor of a large Presbyterian church in Detroit, Michigan. At the present time he occupies the esteemed position of Field Secretary of the World Council of Churches which has its headquarters in Geneva, Switzerland.

Contest Winners To Leave For Netherlands July 17

Dr. De Graaf stated today that six winners in the essay contest having as its subject "The Influence of the Dutch on American Civilization," sponsored by the Holland Centennial Commission in conjunction with the Netherlands embassy in the United States, will start their trip to the Netherlands on July 17. Winners will be notified of their success on or about July 1. Three of the trip winners will be High School Students and three will be from colleges and universities. Other prizes have been planned for essays receiving honorable mention.

More than 750 essays have poured into Dr. De Graaf's office in recent weeks, coming from every state in the union. Of this number one-third are from colleges and universities and two-thirds are from high school students.

The first round of judging will be done by the Holland chapter of the American Association of University Women with the final decision resting with a board of honorary judges under the chairmanship of Dr. Alexander Loudon, Netherlands ambassador to the United States. Other members of this board include the following promi-

Holland Plays Host To General Synod

The annual meeting of General Synod, the highest judicatory group of the Reformed Church in America, will be held in Holland, June 5 through June 10. This group has met for several years in Buck Hill Falls, Pennsylvania, but Holland was chosen this year because of its centennial celebration. The last time General Synod met in Holland was in 1941, celebrating the 75th anniversary of Hope College. It was then that the ground was broken for the Science Building.

This year the business meetings of General Synod will be held in First Reformed Church. Evening meetings will be in the Hope Memorial Chapel. Delegates, including ministers and elders from all classes of the Reformed Church, will attend.

Hope College has assumed full responsibility for providing housing and meals for the group. Meals will be served in the Temple Dining Room, and delegates will be housed in the college dormitories. Professor C. Kleis is serving as chairman of the committee in charge. Committee members include the housemothers of the dormitories, Mr. R. Visscher, and Dr. Bruce Raymond.

Sarospatak, Hope To Exchange Profs.

Hope College and Sarospatak College will have an exchange of teachers as soon as the details of transportation can be worked out.

For some time this project has been considered, and last week the Hope College Board of Trustees ratified the exchange. As to who will go from Hope or who will come from Sarospatak is not known as yet. Rev. M. Eugene Osterhaven has been commissioned to work out the details.

An exchange of students may also take place, but that has not been fully cleared as yet.

Contest Chairman

Queen Myra Reigns

The above photo was taken immediately after the crowning of Queen Myra Brower last May as 1946-47 Campus Queen.

May Day Chairman Reveals Program For Ceremonies

Miss Glenna Gore, May Day chairman, promises that tomorrow in the pine grove one of the most impressive ceremonies of the college year will take place. Miss Myra Brower, Queen of the Hope College campus, will crown the new 1947-1948 queen. Following a short history of May Day delivered by LeRoy Koranda, the new girls chosen for Alcor and the Queen's Court will be announced. Each new girl will be escorted to the throne by one of the retiring Queen's Court or Alcor members. They include Miss Esther Bogart, Miss Glenna Gore, Miss Virginia Bilkert, Miss Phyllis Haskin, Miss Betty Van Lente, Miss Edna Mae Van Tatenhove, Miss Marian Dame, Miss Joanne Decker, Miss Vivian Dykema, Miss Marian Korteling, Miss Harriet Muyskens, Miss Luella Pyle, Miss Nellie Mae Ritsema, Miss Rosalind Scholten and Miss Betty Timmer.

For the first time since 1941, the May Day schedule of events will be complete it was announced. In the morning athletic events for women will be carried on in the college athletic field. Immediately following lunch, at 1:00 p.m., on the High school athletic field, the Inter-fraternity track meet will be held. This track meet should prove to be one of the most keenly contested of the year with a full schedule of events. Preliminaries for this contest are being run off today. Ribbons for these events are being furnished by the Women's Athletic Association and the Anchor will be awarded by Queen Myra and her court. The new cups which will be awarded to the winning women's class and fraternity are being furnished by the Women's League.

The activities for the day will conclude with the banquet held in the Temple lounge and dining room. LeRoy Koranda, as Master of Ceremonies will introduce Mr. Milton Hinga, who will toast the new queen. Other toasts will be offered by the various class presidents. The Queen will award the

May Day Chairman

Glenna Gore

trophies to the winners of the class and fraternity athletic competition. At this time, she will also award the Jack Schouten medals to the high-point man and woman of the athletic contest and will announce the winners of the Student Council elections.

The program for the evening will conclude the festivities. This will include several musical numbers, and a humorous reading and skit.

Schedule of Events

8:00 a. m.Chapel as usual
10:00 a. m.
.....Women's Athletic Contest
1:00 p. m.
.....Men's Athletic Contest
6:30 p. m.Coronation of Queen
7:30 p. m.Banquet

Every man should keep a fair-sized cemetery in which to bury the faults of his friends.

The height of conceit is the person who works crossword puzzles with a fountain pen.

Kalamazoo College Claims Hope's Dean of Women

Dr. Elizabeth Lichty, Dean of Hope's women for the past eleven years, has resigned, Dr. Lubbers stated today. Her position as Dean of Women will be filled by Miss Emma Reeverts of the English Department. Miss Lichty has taken a position as Dean of Women at Western Michigan College, Kalamazoo.

Miss Lichty came to Hope's campus in September of 1936 following the retirement of Mrs. Winifred Durfee, who had served Hope as Dean of Women for 25 years. In 1936 Voorhees Hall was the only girls dorm on the campus housing approximately 70 girls. Today, Hope boasts of six girls' dormitories, and Voorhees Hall alone provides housing accommodations for 180 girls. Until three years ago Miss Lichty lived on the campus and acted as Dormitory Director as well as Dean of Women. Besides these positions she has served as the head of the Romance Language Department.

Originates Campus Activities

Her contributions to Campus life have been numerous. She originated and sponsored during the periods of their first growth: W.A.L., which later brought May Day to the Campus; the all-College sing, W.A.A., and Alcor Society owe their existence to her; she also originated the House Boards governing the girls' dormitories.

She served for two years as Vice-President and two years as President of the Michigan State Dean of Women's Organization, and is President of the State Delta Kappa Gamma, National Professional Sorority.

Miss Lichty took her A.B. degree at Lake Forest College and her Master's and Doctor's Degrees from the University of Wisconsin.

Miss Reeverts came to Hope last September as a Professor in the English Department from Berea College, Berea, Kentucky. She, too, has had considerable experience with dormitory and Campus life.

Reeverts' Record Impressive

After graduation from Hope College with the class of '20," and taking her Master's Degree at the University of Michigan, she served

Resigns

Miss Lichty

for five years under the Women's Board of Domestic Missions of the Reformed Church in America at Annville Institute in Jackson County, Kentucky, as principal of the School.

From Annville Miss Reeverts went to Berea College where she held a professorship in the English Department for seventeen years. She has always possessed an avid

Successor

Miss Reeverts

interest in dormitory life, serving as teacher-in-charge of a small cottage for several years and later as Director of one of the large dormitories at Berea College.

Vergeer Declines M.S.C.; Continues Work At Hope

Dr. Teunis Vergeer, Head of the Biology Department, has announced that he has declined an offer of Michigan State College to become Associate Professor of Zoology and will remain at Hope College. At Michigan State he would have been in charge of beginning zoology and would have had an opportunity for research in his chosen field, parasitology. The fact that he is staying is a clear indication that he has, as he puts it, "a great deal of confidence in the administration and future of Hope."

Dr. Vergeer is a firm believer in the small Christian college, and after studying the opportunities in a large institution, is more than ever convinced that an excessive number of students is a serious handicap to good instruction. "The personal contact and interest in students greatly enriches the life of a 'small college' professor," he stated.

The following factors were listed by Dr. Vergeer as being influential to his decision to stay. There is the freedom of rendering distinct Christian service in teaching and personal association. In addition, he has faith in the method of instruction in the small college with its personal contacts with students

which he substantiates with a deeper faith in the future of Hope under progressive administration. Appreciation of his services expressed by the President, the Board of Trustees, alumni, and students, who wrote or visited him asking him to stay were also influential factors. He has enjoyed the pleasure of association with the splendid faculty of Hope and the personal acquaintances and friendships with many of Hope's promising students. Finally, Dr. Vergeer is convinced that opportunities for research are not limited to large institutions but are equally important in the small college and the present plans for expansion of the Biology Department will prove this conviction to be well based.

Dr. Vergeer began his teaching career as teaching assistant and later research assistant at the University of Michigan. He later held teaching positions at Alma College and at Hastings College, Hastings, Nebraska. While he was at Hastings, he was granted a \$2500 fellowship in medicine at the University of Michigan by the National Research Council. In 1931 he declined a National Research Fellowship offered him to study at the University of California, and came

All The Best

It is with regret that the Anchor announces the fact that Dean Lichty will not be present on Hope's Campus come next September. During the past eleven years, Miss Lichty has contributed much to both the educational and social life of the Campus. We are sure that students and alumni alike look back on their years of association with Miss Lichty with pleasure. We all, students, faculty, and administration, wish you, Miss Lichty, every success in your new undertaking.

Hope is fortunate in having a capable and well qualified successor available in the person of Miss Reeverts. Although a recent addition to Hope's faculty, Miss Reeverts has entered whole heartedly into the life of the Campus during this past year. We all wish her the best of success and we feel sure that Miss Reeverts can count on the hearty co-operation of the entire student body when she assumes her new position as Dean of Women.

To The Class of '47

We have no promise that the future will be easy. Indeed, the events since the end of the War have shown how hard the way is likely to be. There are indeed some who already lose heart, people who say that our hope of betterment is a mirage, and that already we had better reconcile ourselves to the prospect of a long continuing struggle. We need have no illusions. The immediate future will hold difficult problems for those venturing into the world.

We can never make good the loss of the young life which has been so lavishly expended, and it will be a long time before we can recover from the material, and still more from the moral damage which many nations of your world have sustained. But equally there is no occasion to allow our hopes to fail or our purposes to weaken.

We have weathered the worst of the storm, we and those who fought, and worked, as we did. We have seen among ourselves much that was heroic. We have seen hesitations and fears and failures, but we have seen a capacity on a grand scale and organization such as has surprised and surpassed our highest hopes.

There is not the least reason to suppose that we have now expended all our store of these qualities, or that we can find no way of making them effective in the future. If that should happen it will be in large part your fault because you are content with a standard of active citizenship lower than is within your reach.

So you go out, I hope to the upbuilding of peace and to the healing of all nations who are making straight the path for those who have been hurt and their children, and to all your various vocations in churches, in schools, in homes, in offices, and workshops, and all of the manifold duties of citizens of a free and hopeful land.

I hope and I think, that you will play your parts.

The Last Issue

Eighteen issues ago we welcomed a large class to the campus; today we wish the best of success to the Class of '47 as they are about to leave Hope's walls. The "in-between" issues carried our stand on many issues both on and off the campus.

We wrote of "Grandstand Courtesy" and we believe the teams have been well supported throughout the year. We didn't tell you to "keep off the grass" but we maintain that you should. We editorialized on the use of unsuitable language about the school and we think it has improved. We forgot to tell you not to paint on the new sidewalks but we do hope you will co-operate with the administration which has spent so much time, money, and thought on the beautification of our school. The administration has given our campus a "face-lifting" and we hope no student will give the worthy project "fallen arches."

We campaigned for instructional supervision for the Anchor Staff and already we have been privileged to hear two lectures by an authority with the promise of a well-organized program for the coming year. We reminded you of your duties as citizens both of the United States and the World. We outlined the position of the church in modern society.

We questioned the system of examinations last semester and are gratified to see that they conform with Hope's traditional policy of educating rather than processing. The examination schedule now conforms with the class schedule we ourselves chose in January. We have taken our stand against indiscriminate raising of the veterans' subsistence allowance. The Anchor aided in the drive to help Sarospatak, a contribution of which we are proud.

We have always maintained an "Anchor Box" in which to receive your criticism, contributions, and suggestions for improvement. This is your paper and we want you to feel free to contribute in any way you see fit. We feel that we have gauged the student opinion on Hope's campus very accurately judging by the response we have received in the way of criticism or suggestions for improvement.

In conclusion we want to sincerely thank all of those who have helped to make the Anchor the best paper on Hope's campus and extend an invitation to many students to aid in making "the best paper" even better next year.

Fathers Under Fire

The Skiff—(ACP)

"Veterans do better work in college than non-veterans, married veterans make better grades than unmarried ones, and the grades of veterans with children are the highest of all." This is the finding of Dr. Harold Taylor, youthful president of Sarah Lawrence College of Bronxville, N. Y.

In explanation, the noted 32-year-old educator pointed out that men with children have greater responsibility. By responsibility, it can be assumed that Dr. Taylor had in mind the fact that it is inevitably easier to take home an "F" to mother and dad than to the "little woman" and Junior.

What self-respecting father could hold his head up at the end of a semester if Junior had a right to turn to his mother and say, "Gee, Ma, this birdbrain you married has flunked his chemistry again!"

Where Do We Go From Here?

Daily Trojan—(ACP)

While nations are trying desperately to rebuild after the war's devastation, 850,000 displaced persons wait helplessly in detention camps, hoping that some day homes will be provided for them. So many staggering problems of reconstruction confront statesmen that these D.P.'s are almost forgotten people.

Greatest obstacle to their rehabilitation is the failure of nations relatively undamaged by war to break down immigration barriers. President Harry S. Truman let congress know in his State of the Union message that this country is not accepting its obligations in this respect:

"I do not think that the United States has done its part," he said. "Only about 5,000 of them have entered this country since May, 1946 . . . definite assistance in the form of new legislation is needed. I urge the congress to turn its attention to this world problem in an effort to find ways whereby we can fulfill our responsibilities to these thousands of homeless and suffering refugees of all faiths."

Letter To The Editor

Dear Editor:

One small but important phase of life at Hope College, or at least for those many students who eat in the college dining hall, is the custom of saying grace at meals and having devotions after one of the meals each day. This fact is often not appreciated, particularly when we have to strain our ears to hear some mumbled scripture or prayer or when we are in a hurry to get away and find a seat for the basketball game. And yet, taken as a whole, I think those customs come closer and closer to the hearts of the students as time goes by. For many it establishes more deeply the habit already started in the home of thanking God for their daily blessings and of worshipping Him through group as well as individual devotions. The custom also is one of the little but effective ways in which Hope College witnesses for Christ to its non-Christian students and undoubtedly starts many out in the habits of acknowledging God's blessings.

It would seem to me hard to evaluate these considerations in terms of dollars and cents, but certainly the custom should not lightly be discarded. It is generally known that in the interests of efficiency more students will be fed at Temple next year, and in cafeteria style. It will be impossible, under those conditions, to continue having grace and devotions. It will mean that a majority will be sitting down to their meals without prayer, for it becomes easy, even for those who believe in it and have the courage to bow their heads for a minute, to forget. Yes, it is hard to evaluate, but it seems doubtful that the savings in efficiency in this case would outweigh the price we pay for it, particularly in view of the fact that a majority of students would much rather eat the way they do this year than in a cafeteria. And since the student body will not be much larger next year, the college has the facilities to keep on feeding students in this way.

Therefore it is with regret that many of us see a cafeteria planned for next year, and it seems appropriate to use this means to ask the administration to reconsider its plans.

Sincerely,

Alfred Pennings

Editor's Note: I heartily endorse the sentiments expressed in the above letter and the matter has been brought to the attention of the administration. Dollars and cents or any other consideration should never outweigh our thanks to God.

Amoeboid Dissertation

I am a lady amoeba. My husband, Protozoa Pete, told me the other day that those terrible Homo Sapiens said there weren't such things as little boy and little girl amoebae, but we certainly know differently. Why, just the other day Pete and I were sitting in a weed-bed holding pseudopodia and making amoebal lore. "Humph," said Pete, "It certainly makes my protoplasm boil the way these humans have us classified!" "They think they're something with their bilateral symmetry and central nervous system." "Maybe I shouldn't say it," he said, "but if I had my way they'd all have amoebic dysentery." When Pete gets excited there's no telling what he'll do. I stroked his ectoplasm and he settled back, wholly contented to be a lower form of life.

Pete and I went down to the local drive-in last Wednesday. I imagined so much algae I thought my food vacuole would burst.

Last year, when Junior was born, you should have seen Pete. They took me to the hospital and I could hear Pete's amoeboid motion outside the door. In the meantime, of course, I wasn't having too easy a time. But I finally underwent mitosis and everything was O.K. In a few weeks my chromatin spindle settled back to normal and I felt like a new woman again. Pete told me his nucleus was pounding so fast he didn't know what to do. I laughed. Later, I went on a diet and lost a lot of excess endoplasm. Pete loves to show me off to our amoebae friends.

Well anyway, Pete and I are happy we've got our little lives and even though we may be simple creatures we've got enough sense to keep our pseudopodia out of other people's business.

All good things must come to an end — even this column. But don't relax just yet, for I still have a few remarks to make before I'll really sign off.

First on our list, is as always, our engaged couple list. Elaine Meeusen and Bruce DePree have taken the big step this time; also Leona Doorenbos and Charles Gross; Ann Fiske and Don Bos. What's the matter, are those the only ones this week? My goodness, something's wrong — where's cupid? If anyone finds him call 9100 and something will be done immediately.

Oh dear, has everyone seen the exam schedule? Oooh, I get goose pimples every time I think of them — let's think of something more pleasant like — seeing Glenna Gore with a Mr. Bax Elhart quite a lot lately and Ken Decker with a certain girl named Evy from Fairbanks Cottage. Ah yes, I've said it before, but now I'll say it again "Ain't love grand?"

The Arcadians certainly must believe in a clean sweep — do you use Duz or Rinso boys or wasn't 8th Street dirty enough — good work boys. Talking about Tulip Time — isn't it wonderful to have a cooperative weather man — he

was a bit late with the warm weather but the tourists at least knew what a tulip looked like by Sunday — if they didn't know before that.

And talking about weather, why I just knew it would rain on Tuesday — or otherwise known as "Senior Skip Day." Oh well, our class has to be different somehow and besides it gave some of us a good chance to catch on our back homework — whoops!

Talking about homework reminds me about Mr. Hinga who took his Sunday School class on a picnic — anything is better than a classroom, how about it, everyone.

And now I'll finish it off with a few appropriate questions. Does anyone know why Shirley Knoll has turned over a new leaf lately? Did you know that Marion Dame was so lonely for — last week-end that her room mate sent her a lonely heart's club subscription? Did you know that Hope College turns out priests now — namely Father Bud Van Eck (with his collar worn backwards) and does anyone wonder what wonders this column will contain next year? Keep up with the times everybody and have a wonderful vacation.

Music Box

Well, the long awaited day has come and gone. The Men's Glee Club finally made an appearance, and now the students, especially girls, can appreciate why a nice young Texan girl who was in an audience of one concert out East gave the never-to-be-forgotten answer to a question asked her. The question: "And what glee club number did you like best?" The answer: "Oh, ah liked Taramp Tararamp, Taararamp." (It isn't easy to spell the words a person speaks while she's in a swoon.) But all kidding aside, Prof. Cavanaugh did a great job, and the trip is one which will never be forgotten.

It really is a thrill to have the Alma Mater sung at the end of each concert, knowing it was written by Mr. Cavanaugh. Or didn't you know?

A word of commendation should also be given to Rog. Rietberg for his capable accompanying. Only those who sing in a group can really appreciate how much the success of a concert rests on a dependable accompanist.

The year surely has gone quickly, and it makes Ye Ole Music Boxer tremble and quake to think that it's the last edition. This has been a big year for the music department. At the beginning we introduced two new members to the staff, Miss Jantina Holleman and Miss Helen Cook. During the year Mrs. Stanley E. Baughman was secured to teach voice. These plus the others have performed great tasks and have worked under the strain of heavy teaching loads.

Also, a word should be spoken here in recognition of Mrs. Snow's presence each morning at the organ. It isn't everyone who is always willing to cooperate whenever called upon to perform, and sometimes persons who have the ability which Mrs. Snow has, are taken for granted. How about offering a word of appreciation in gratitude to Mrs. Snow next time you're walking past the organ on the way out of chapel in the morning.

Incidentally, if any students are interested in bird study, you might contact Nelson Stegeman. While on the Glee Club tour we were all amazed at the astounding depth of knowledge he has of Hen Hawks. That is how you pronounce it, although they fly so fast in Hudsonville that you have to learn to say "hehaws" or you miss seeing them.

We surely have appreciated the work of Alfie "Yes, Prof. I remembered the programs" Vander Waa. He had quite a load to carry each time, always supplying the churches with glee club programs, but he didn't get swell-headed with all the

attention he received, because a 7 and 5/8 hat is still too large for him. Of course we're only kidding, that's way too big for any normal individual.

Remember the big vesper concert Sunday afternoon at 4:00 featuring the choir and two glee clubs.

Remember this. Whenever you hear the statement that musicians are all temperamental we hope you won't agree. For thru the year such men as Rudolf Ganz gave proof that musicians can be very human, even though some do kick the black leather across the room. Sometimes actions speak louder than words.

In closing the Music Box for the year, we offer a word to the memory of Mr. Stanley E. Baughman, former teacher of voice at Hope, who passed away in February.

Truly a master of music has fallen, but his song shall always be remembered, for his was a life of service to all mankind, especially to those who needed his advice and direction in music. And in the words of the composer; "I have sought, but I seek it vainly That one lost chord divine, Which came from the soul of the organ"

And entered into mine. It may be that death's bright angel May speak in that chord again. It may be that only in Heaven I shall hear that grand Amen."

We pay tribute to a great musician who has heard the strains of that lost chord, strains which can be heard only in the Eternal Symphony of the Great Musician.

Dreaming

Sometimes I sit and dream about The hopes that the future brings, With fulfilled desires for peace and love That makes the soul to sing.

I dream of the happiness, success attained Thru strength of faith in Him above: Dear Father guide our minds and hearts, And forever lead us in truth and love.

Some people say that hope is vain, That life is real and cruel, But why then came Christ, the Son of God, To teach perfection and the Golden Rule.

No! There is beauty to life, And the beauty is Him, and all who believe shall live Forever in His kingdom on earth and in Heaven, For Christ died that God might forgive.

ALMA MATER HYMN
Hope College

Robert W. Cavanaugh

Many requests have been received for the words and music of the Alma Mater Hymn, composed by Professor Robert W. Cavanaugh, and rendered regularly by Hope's Musical Organizations.

Hope Ambassadors

Introducing The Aleutians

By ALFRED B. NEDEAU

Dallas was beautiful that June morning, dressed in her bright, glimmering colors that fashioned the season, but on the other hand, the novelty of being in Texas was becoming threadbare. Upon returning to Wichita Falls, we found orders for overseas shipment awaiting us. The fact that we did not have the slightest idea of the theater of war for which we were destined created an ocean of excitement with depressive undercurrents.

Two days later we were on a train going in a westerly direction. Salt Lake City offered us the first clue to what at this time was thought the unsolvable case, for there Arctic equipment was issued to us from all directions. Great Falls, Montana, was where we said our farewells and hopefully wished that Alaska and the Aleutians would have something admirable to offer.

A few days later the wheels of our plane touched Alaskan soil for the first time. Tired and cold due to the sudden change of temperature, we were herded into waiting vehicles and were whisked away to the quarters which had been provided for us.

Anchorage shattered our expectations beyond recognition with its pleasant weather, larger population, and social accomplishments. The city is situated in the valley formed by a circular range of mountains. Awaiting orders to be cut which would reveal our "Chain" assignment, we went on many strolls up and down the banks of mountain streams or as they are referred to—personalized sight-seeing tours. The trout and salmon lazily wiggled a part into the swift streams' current. Fish were plentiful in all the streams and tributaries—so plentiful in fact that the orthodox "line and hook" method of catching them became obsolete and was supplanted by crudely made harpoons and spears. This innovation brought more enjoyment to the sport of fishing.

On the first of August, we were alerted for shipment; our destination—Adak in the Aleutian Islands. At Anchorage we boarded the train which was to transport us to Seward, Alaska, a small port exclusively used for shipping between the Aleutians and the mainland of Alaska. We were disappointed when the entire four-day cruise offered nothing but bleak, dismal, and threatening weather conditions.

Dutch Harbor, where most of the actual fighting had taken place, was our first brief rest on land. Here we were given liberty to venture about the island as we wished. We spent our time inspecting the resultants from battle. Just how one army could defeat another on battle ground of this nature is hard to perceive. The terrain is very mountainous and treacherous with steep precipices and unexpected crevices. The Aleutian Islands are infested with large and small active volcanoes that are constantly erupting, and the islands are composed of the mountain lava from these natural boilers. Therefore, plant life is limited to tundra and rare species of shrubbery because of the peculiar nature of the soil.

Adak, our temporary destination, we found most uninteresting, despite the fact that it is the largest settlement in the Chain. From Adak, we were sent to Cold Bay, a secret naval base, and here we were given our first opportunity to contact the Aleutians and the Ekimos. The Aleutians are White Russians whose ancestors came from the southern region of Russia and settled in the Aleutians where the fishing grounds were best. Since the Army and Navy had established military bases throughout the Chain, the various forces were held responsible for the hospitalization and general welfare of these United States subjects.

The Eskimos were an interesting people, even though we were unable to understand their language which is comprised of a mixture of two Indian dialects. The life span of an Eskimo is much greater than that of an Aleut. Both races are being reduced because of the introduction of alcoholic beverages, plus the fact that practically all of their food, save for the sea food that they obtain, is either canned or frozen. (The latter, however, was just introduced through the discovery of frozen foods.)

The average life span of an Aleut is approximately forty years. These people develop and reach maturity at an early age. It was not

Surprises and Shocks

Oh, this is a place of surprises and shocks.

Here is many a paradox—
We can't walk on wet cement to class;
But there's a sign—"Keep off the grass!"

They pound the pavement—tear up walks,
While the prof. incessantly talks.
They ask ten questions you can't even hear,
And count it in your grades—I fear.

They say it's "Tulip Time"—but where?
I don't see blossoms anywhere.

It's also spring, I've heard them say,
But 'twas snowing the other day!

They say that summer vacation's near
(That's what they tell us every year.)
To many it's not a "vacation," I'll bet,—
Just a change of WORK you get.

They threaten us that exams are near.
I can't see anything to fear.
We've had them before,—I guess.
What's an exam—more or LESS?

Nor shall I ever discover why it is
That teachers always pop a quiz!
How did they know we had a date—
Skimmed our lessons?—stayed out late?

And every spring it is my fate
To loose my ability to concentrate.
And all my work piles up—Oh, fizzle!
It's a wonderful life—It is!

And summer vacation's an awful pain,

uncommon to see or hear of a girl giving birth to first first or second child at the age of fourteen. An example of this was the arrival of a girl from a neighboring island, King Cove. Her hair was golden yellow, and her complexion was wan but not to the point of giving her an anemic appearance. Upon inquiry, I learned that she had come to Cold Bay to give birth to her first child—at the age of thirteen.

The weather conditions in the Aleutians differ somewhat from those of Alaska. In Alaska the snow comes and stays until spring, when the warmer weather causes it to melt. But in the Aleutians the amount of snow that falls is just as great only it is removed by the intense winds that prevail throughout the winter months. The average wind velocity registers around 80 to 90 m.p.h. At times the wind reached the speed of 110 m.p.h. On the days when this occurred we were satisfied to remain in our quarters until it had subsided.

Diseases on the islands and in Alaska are very rare. The most common ailment was skin disease which was brought about by the absence of sunshine and proper food. However, after the termination of hostilities, ultra violet ray treatments were brought into use, thus minimizing the possibilities of becoming a victim of this disease.

Today as I look back upon our trials and tribulations endured during the icicle-studded months, my heart becomes filled with compassion for the unfortunate individuals left behind who are not afforded the chance to live in our Garden of Luxury.

Reminiscing

Now that the well-scrubbed streets are again trodden by dirty feet, the tired tulips are nodding their heads after a hard week of welcoming visitors, and the Dutch costumes and wooden Klompen are packed away in moth balls for another year's rest, we look forward to a period of examinations, followed by a long much-needed vacation.

This past school year has been a success. We pasted our last summer's friendships into our scrapbook of memories and on a beautiful Indian summer day arrived on Hope's campus for our first, second, third, and even fourth year of fun, activities, and periods of intense study. Looking back through the year, we recall our first ALL COLLEGE MIXER held in the Temple Building when the talents of the four classes were displayed. And then HOMECOMING played an important role in the Get-Acquainted period. The green freshmen and the high-spirited sophomores battled at the NYKERK CUP CONTEST for the girls, and the FROSH-SOPH PULL across Black River by the men to decide the victors. Following the BURNING OF THE GREEN was the Christmas Party. The new semester brought forth the sorority and fraternity parties, play productions, concerts and recitals, the ALL COLLEGE SING, Tulip Time festivities, and the final event, MAY DAY. Also, our field of sports produced some brilliant athletes and completed a well-rounded school year.

Now we face a new year of activities. Some of us will be returning next semester; others will be separated from us to the four corners of the earth. Some will be home-makers and providers; others may become artists, authors, or scientists. Who knows? Perhaps the next college president will be a Hope graduate of the class of 1947! Looking back, we shall miss our senior class and the fun we enjoyed with them, but we shall look forward to another year of activities and friendships to be founded here.

WHO'S DOING WHAT AND WHERE THIS SUMMER? was the question produced out of the bag for this issue of the Anchor.

Leon Sparling claims that he's going to either work in a Jute Mill or a Fish Cannery in Cuba. No doubt, he'll probably end up there. The University of Illinois will find Howard Zandbergen enrolled for summer school, and Daniel D. Beatty will be in graduate school at the University of Michigan. Cal Hermance, George Curtiss, Doug Cameron, and Marg. Du Bey will be among those attending Hope summer school. Shirley Willbrandt will be doing office work in Muskegon, while Phyl Andre will be employed by the Grandville Bank.

Ann Vander Veer will be found at the Priscilla Beach Theater in Plymouth, Massachusetts, while Betty Visscher will be at Ripple Haven Lodge at Spring Lake. Macatawa Park Hotel will find Lois Hospers, the Baker twins, Martie Den Herder, Mary Van Loo, Jean Mihaley, Bea Lockwood, Ess Boogart, Gene Barnes, Ken Weller,

and Pat Aspinwall in its employ. The Castle will have Marj Lucking, Jerre Uppliger, Joyce Sibley, Gene Van Tamen, Don Ingham, Herk Buter, Betty Christie, Don Schriemer, and Ernie Meeusen.

June will find Joan Biddle become Mrs. Clutch Boerman, and August 23 has been the date set for three weddings: namely Mary Ellen Brower and Ernie Post, Bobbie Bilkert and Don Mulder, and Bunny Goff and Chuck Ploegsma. Wedding bells will also ring for Trudy Maasen and Del Vander Haar, and Pegge Den Herder and Robert Danhoff. Passing out cigars is Earl De Weerd, (it's a baby girl, Sandra Lynn). Jean Watson will put in her hours at the Big Top, while other Hope students will spend the summer basking in the sun. Others have not yet decided how they are going to spend their summer months; however, it won't be long before September rolls around and the Profs decide their winter employment—Back To The Books!

By Ginny Hemmes

Temple Dining Room

REDFORD STUDIO

With the inflow of a large student body last fall, Hope's Business Office secured the use of the basement and main floor of the Temple building for dining facilities.

To leave your friends and board the train.
You want to go home—you want to stay.
Oh, why is it summer anyway?

"HAVE YOUR TICKETS READY, PLEASE," the First Nighter slogan, could apply equally well to the college dining hall entrances. As you, one of 650 dining students, seat yourself in one of three dining halls, Zwemer, Voorhees, or Temple, and await one of thirty-five employed waiters or waitresses to serve you the food which six cooks have prepared for you, do you realize how much food you help consume?

Each boarding student pays an average of \$.31 per meal. This covers the cost of food, wages for the cooks, waitresses, waiters, and the 23 dishwashers. Also included in this price is the rental for Temple Dining Hall, and replacement for breakage.

The approximate cost of food purchased for the school year reaches about \$156,000. For example, 450 quarts of milk are consumed in a day, 150 loaves of bread (not including rolls), are eaten in one day. For one meal, 200 pounds of meat is necessary (and swiss steak has risen from \$.40 to \$.69 per pound). Also for one meal, 400 pounds of potatoes

are used, and 160 pounds of canned vegetables. Desserts consume 90 pies, or 26 gallons of ice cream which costs \$38.00. The fresh strawberry topping for the ice cream costs \$45.00, which is more than the cost of the ice cream alone. 240 pounds of butter is used in one week. One meal with eggs finds 110 dozen consumed.

Also of interest is the great cost for replacement. In the Temple Building alone, 250 cups have been broken. To replace these cups costs \$.35 each. Thus the recent cost was \$88.00 for new cups. This does not include knives which cost \$.40 each, forks at \$.30 each and teaspoons at \$.19 each. A recent replacement order reached \$400.00. These costs are another reason for raising the cost of board. We do not realize the cost of a souvenir spoon from Voorhees hall, nor the use of dorm plates for midnight spreads, or perhaps we would not be so quick to take possession of them. All in all, we have a fine managing staff with Mr. Visscher at the head and Miss Wolters managing the Temple Dining Hall.

Forensic Frat Adds Eleven Members

The Hope College Chapter of Pi Kappa Delta, National Forensic Honor Fraternity, held its annual spring meeting on May 15, at which time the group initiated eleven new members. Joanne Decker, retiring president, administered the oath to the following: Peter Breen, Vergil Dykstra, Robert Schuller, Leroy Koranda, Carl Koning, Marvin De Young, Marian Korteling, Robert Paul, Henry Shaw, Donald Vanden Berg, and Wesley Dykstra.

After the initiation ceremony, officers were elected for the coming year. Peter Breen was elected to head the organization. Other officers are: Vice-President, Jean Watson; secretary-treasurer, Henry Shaw; corresponding secretary, Vergil Dykstra. Donald Vanden Berg was chosen as debate manager.

Old and new members attended the annual Pi Kappa Delta picnic last Monday evening. At that time, plans were discussed for the coming year. Dr. Schrier is the faculty sponsor of the organization.

Vermaire Takes Over As P.&M. President

At a dinner held at Temple Dining Hall on May 8, Millie Vermaire from Grand Rapids was elected president of Pallette and Masque for next year. Other officers elected were Bernard Scott of Peoria, Illinois, as vice-president; Sunny Donahue of Appleton, Wisconsin, as secretary; and Casey Oegema of Grandville, Mich., as treasurer. Appointed positions will soon be filled. The new board is now working on plans for the coming year.

45 Hope Students Receive Four A's

The Student Direction Committee has been making a study of the marks of students and has announced some of its findings. The following students received four or more A's for the first semester of this year.

The Seniors attaining this distinction were Joanne Decker, John Mooi, LeRoy Sandee, Rosalind Scholten, Betty Timmer, Martha Van Saun, and Eugene Van Tamelen.

The Junior class placed James Cook, Willard Curtis, Henry Dykstra, Laura Johnson, Owen Koeppe, John Ligtoet, Gertrude Metten, Wyba Nienhuis, Alfred Pennings, Thomas Van Dahm, Alma Vander Hill, Helen Wagner, Kenneth Weller, Edith Young, and Vergil Dykstra on the list.

Achieving Sophomores were Irene Heemstra, Renze Hoeksema, Carolyn Ingham, Chester Schemper, Henry Shaw, Jean Sibley, Hazel Vande Woude, Glenn Van Haitsema, Gary Van Omen, Jeffrey Wiersum, Anna Workman, and George Zuidema.

The Freshmen having the necessary four A's were Elton Bruins, Carolyn Heckeler, Dorothy Krandenonk, Margaret Moerdyke, Herbert Ritsema, John Ryskamp, Henrietta Veltman, and Joanne Wilson.

The Specials were Arthur Kronemeyer, and Marabelle Van Alsburg. Sidney Newhouse of the Veterans Institute was the solitary member of his group to reach the set standard.

Prins, Ten Hoor To Attend Parley

Hope College will be represented during the Freshman English Conference at Syracuse University by Professor James Prins and Professor Henry Ten Hoor of the English Department. The conference will extend from June 10 to 14.

The various universities have recognized the country-wide need for revision in the freshman English classes of college-level. The conference has been called in order that the representatives from all types of schools will be able to discuss the problems of teaching veterans and other more mature students.

Mr. Prins and Mr. Ten Hoor, who teach freshman English classes exclusively, feel that future students are entitled to the benefits which these new ideas in the teaching of literature and composition will give.

Architect Prepares Prayer Room Plans

Plans have been drawn up by an architect, Victor Thebaud, and construction will begin this summer on making the present prayer room a permanent part of our chapel.

Since prayer week of last year a group of students have been meeting regularly each week for morning prayer and devotional Bible reading. At first one meeting a week was held, but this year there have been meetings on Tuesday and Thursday mornings at 7:30 in the YM room.

A prayer room in the chapel basement was made available for use during the Week of Prayer this year, and still may be used by any student at any time of the day. A rug, chairs, a table, Bibles, lamps, and a picture of Christ in Gethsemane have been added.

The new prayer room which will be ready next fall is being paid for by individual contributions. Anyone interested may see Miss Schuppert in the college office, and she will give the contributions to the prayer room committee.

Russ Kraay Gets Photo Club Gavel

Russ Kraay of Danforth, Illinois, was elected president of the Photo Club for next year at a meeting held on May 12. Serving as vice-president will be Al Pennings and Ted Flaherty will be in charge of the secretary's reports.

The highlight of the May 12th meeting was a colorful display of Kodachrome slides by Mr. and Mrs. Jim Kaminga of Grand Rapids. They presented the slides in a very unique way by making use of twin-mounted projectors. The picture tour included scenes in Arizona, the Hoover Dam, sites of ancient Pueblo Indian dwellings, the home of Zane Gray, and many famous movie sets.

It was announced that the Photo Club contest is still open to all students. The entry deadline is 12:00 noon on May 24. No color prints may be submitted.

Students Help In Tulip Time Week

Tulip Time last week made good use of Hope College and its students. Peggy Prins and Muncie Vande Wege were in charge of the float which was entered in the Saturday parade.

Scrubbing Eighth Street last Wednesday were most of the Arcadian Fraternity and many more Hope students. Pat Letz, Theresa Stahl, Marian Churchill, Shirley De Young, and Sunny Donahue were seen passing out Bendsorp chocolates one or more of the four days.

In Hope's chapel programs were given almost every evening. On Wednesday a Chicago Symphony String Ensemble was here with guest artists, Beatrice Roes and Bruce Foote. Thursday night the choir of Holland High School and Holland Christian High School performed along with the Chicago String Ensemble. The Men's Glee Club with other guest artists were in the spotlight Saturday night.

You can earn bread by the sweat of your brow, but it takes brains to get the cake.

Married Vets' Pay May Be Increased

Washington, D. C.—Married veterans attending school under the GI Bill can expect a probable large increase in their subsistence allowances, according to a prediction made to the American Legion here.

But single ex-GIs were warned they will have to continue on their present allotments.

The prediction was made by Rep. Alvin E. O'Konski, Republican of Pennsylvania, third-ranking member of the House Veterans' Affairs Committee.

He said the consensus of the committee was that married students should be "increased substantially" over their present \$90 a month allowance. But he added there was no corresponding sentiment for boosting single veterans above \$65 a month.

He explained that most committee members seemed in favor of a sliding scale of benefits which would increase in direct proportion to the student's family responsibilities.

Freshman Class Plans Ottawa Beach Party

The freshman class is rounding out the year with a beach party to be held at Ottawa Beach on Saturday, May 24 at 3:00 o'clock. As this is the largest class in the history of Hope, there should be quite a turnout. Pat Letz, as general chairman, has appointed Bernie Zmink, Roy Zwemer, and Bill Ver Huy to handle the entertainment, and Max Frego to arrange transportation. Sunny Donahue is handling the publicity, and Ruth De Graaf and Ann Wolters will have charge of the food.

Alumnus Instructs Americans in Japan

One of Hope's alumnae has the unusual job of teaching Japanese to the children and wives of the American soldiers now in Japan. She is Setsu Matsunobu, now Mrs. Kondo. She is teaching at the Yokohama American School.

This school was recently organized and is under the direction of officers of the Eighth Army. As additional children have arrived from the States, the classes have been divided and the faculty augmented. Mrs. Kondo is also serving as clerk and interpreter there.

In the October 7, 1946, bulletin of the Yokohama American School the construction of the school building was described and was near completion. Recreational activities for the children are also under the direction of the school. A part of the "extension service" of the school offers instruction in Japanese by Mrs. Kondo to all wives of the military personnel.

All-Choral Vesper, Recital Conclude Music Activities

A two piano recital and singing by the College Madrigal Group will be presented in the Hope Memorial Chapel at 8:15 on May 22. The duo-pianists are members of a class which studies standard piano ensemble works.

The Madrigal group, a small vocal group organized this year, is composed of Phyllis Sherman, Georgia Boss, Barbara Scarlett, Dolores Thomas, Alice Van Kempen, Paul Kronendonk, Ed Tangenberg, Duane Booi, and Bob Resch. The accompanist is Prudence Has-kin and the group is directed by Miss Jantina Holleman. They will sing two groups of songs, one a group of traditional Elizabethan era madrigals and the other a group of modern songs.

The program is as follows:

- I.
Sonatina in C.....Clementi
Ellen Beuker
Elinor Rubingh
- II.
Sonata in C.....Mozart-Grieg
Luella Brady
Georgia Boss
- III.
Which Is the Properest Day to Sing.....Arne
Sing We and Chant It.....Morley
In These Delightful Pleasant Groves.....Purcell
Madrigal Group
- IV.
The Little Windmills.....Couperin
Fugue in G Minor.....Bach
Roger Rietberg
Herb Ritsema
- V.
Variations on a Theme.....Beethoven-Saint-Saens
Nellie Mae Ritsema
Marion Slinn
- VI.
The Lotus Flower.....Dykema
The Arrow and the Song.....Dykema
Summer Time.....Gershwin
Madrigal Group

Hope Students Speak For Cancer Society

A number of Hope students participated recently in the American Cancer Society drive for funds. The students appeared in local theaters on various afternoons and evenings in the interest of the Society. Those who took part in this activity were Evelyn Van Dam, Cornelius Oegema, Irene Heemstra, Helen Thomas, Jeanne Toussaint, Lois Rameau, Betty Timmer, Lorelei Parker, Anita Wells.

Miss Gibbs Reviews Matsumoto's Book

Miss Margaret Gibbs, assistant counselor for the Y.W.C.A., reviewed Toro Matsumoto's book, "Brothers Under the Skin," at the May 20th meeting of the Y.W. Miss Gibbs has been counsel for the W.Y. for eight years. This meeting concluded the year's activities on campus. During exam week the Y. W. C. A. and the Y. M. C. A. will hold a joint hymn sing in the pine grove.

Faculty Members Plan For Summer

As students are planning their various summer activities, the faculty is also making plans. Several members of the faculty will be teaching at our Hope College summer session. This list includes: Mr. Clyde Geerlings, Mr. Vernor Bobbitt, Rev. William Miller, Dr. Eugene Osterhaven, Dr. Ivan Dykstra, Mr. Oscar Thompson, Dr. Tuenis Vergeer, Mr. Dwight Yntema, Mr. L. J. Sicard, Mr. E. E. Brand, Dr. John Hollenbach, Dr. Clarence DeGraaf, Dr. Vernon W. Roelofs, Dr. Lester J. Kuyper, Mr. Charles Steketee, Mr. Albert E. Lampen, Dr. Walter Van Saun, Mr. Clarence Kleis, and Mr. Garrett Vander Borgh.

Miss Emma Reeverts will attend the Bread Loaf School of English, one of the summer schools connected with the Middleburg College at Middleburg, Vermont. Mrs. Laura Boyd also hopes to attend summer school, but has made no definite arrangements as yet. Mr. H. J. Haverkamp plans to attend the University of Iowa and Mr. Robert W. Cavanaugh will work on his Ph.D. in music at the University of Michigan. Mr. Edward Avison plans to attend the commencement exercises at Wooster College, it being the 20th anniversary of his graduation from there. He will also spend some time in Florida with his father whom he has not seen since before the war.

Dr. William Schrier plans to begin a busy summer by giving commencement addresses at Boyne City and Wakefield. He plans to make a popularized version of the thesis, "A Rhetorical Study of Political and Occasional Addresses of Garrett J. Diekema," placing it in book form. He also hopes to take a trip to the University of North Dakota, where he was a member of the faculty for 12 years. "Uncle Bud" Hinga anticipates a busy vacation with his Youth Fellowship groups.

Miss Melba Ross plans an ideal vacation at her cottage. Mrs. Peter Prins plans to spend her summer with her husband in Detroit. Miss Nella Meyer plans to spend some time in Canada, while Miss Elizabeth Lichty will visit New York, Ohio, Washington D.C., and western Illinois. Several other faculty members plan to tour to various sections of the country. All in all, it promises to be a busy and worthwhile summer for everyone.

Today

A flush of red, a flash of gold,
A day is born anew.
The ancient miracle of Time.
And soon the sun begins to climb
Into the arching blue.

A day — a symbol of a life —
The morn, the noon, the eve.
The gift of God to everyone
In which to work, and walk, and run,
To fail, or to achieve.

Into the keeping of the Past
The moments swiftly fly.
Each one is surely gathered in
Stamped with success, or shame, or sin,
And dressed for Destiny.

For "Now" is linked with "Long ago"
With bonds of blood and tears;
And of some seeds we sow today
The time for full fruition may
Be twenty thousand years.

Graduates Enter Diversified Fields

Many Hope graduates will be entering the professional world as teachers in September. Betty Timmer from Muskegon Heights, Mich., will be teaching in Byron Center High School, as will also Martha Van Saun of Holland, Michigan. Byron Center High School also claims Ray Huizenga of James-town, Mich., who will also teach and coach basketball. Bertha Helenga of Allegan, Mich., will teach in grade school in Byron Center. Kathryn Lock will remain in her home town of Grand Rapids to teach mathematics in high school. Don Schreimer also of Grand Rapids will be teaching social studies in South High School in Grand Rapids and coaching basketball and baseball. Luella Pyle will remain in her home town, also, to teach at Eastern Academy, Patterson, New Jersey. Harriet Hains of Coopersville, Mich., will return to Holland in the fall to teach fourth grade at Longfellow.

Dick Vriesman from Muskegon, Mich., will be leaving this summer to become a counselor and teacher in Tindivanam, India. Wedding bells will ring for Trudy Maasen from Friesland, Wisconsin, and as Mrs. Delbert Vander Haar she will be residing in the parsonage at Fulton, Illinois. Betty Van Lente of Holland will be working at Meyer Music House and will also be giving piano lessons. Dave Borgard from Little Falls, New York, will be training at an advertising agency in New York.

Winton Stephan, a junior, will be entering the University of Michigan Medical School. News also comes from two former Hopeites. Phil Waalkes, who has received his Ph.D. in Chemistry from Ohio, is entering Medical School at University of Washington. Earl De Witt also a Hope graduate expects to get an M.S. in Chemistry at Ohio

University and then continue his studies at Harvard.

Louise Ter Beek from Holland, Mich., will be in training as a Medical Technician at Butterworth Hospital in Grand Rapids, under Dr. Van Pernis.

Paul Van Dort also a local resident, will be teaching history and geography in the seventh and eighth grades at Comstock School near Kalamazoo. He will also be assistant basketball coach.

Spring Is Here

At last I can safely say that
Spring is really here
Without someone coming back
With 'Here's snow in your ear'!

With rain and straight hair all
around
And grass that's turning green
And buds on trees being shown
As the latest thing in trees.

Shoe leather's being worn quite
thin,
With those strolling campus walks,
Roller skates are seen around
Along with sidewalks marked with
chalk.

Once more I say that spring is
here
And now I hold my breath.
If I see a snowflake hangin'
'round,
I'll beat its life to death!

Alpha Chi Finishes With Annual Feast

Alpha Chi's annual banquet was held May 12 in the Temple lounge. After the banquet, the group retired to the main dining hall of Temple where a program was rendered.

After an inspiring song service led by Jay Weener, retiring President Harry Meiners introduced The Rev. Warren Jackson as speaker for the evening. Mr. Jackson is the Executive Secretary of the Michigan State Christian Endeavor. His topic for the evening was "Pioneers for the Age to Come." The age to come, Mr. Jackson stated, would be one that would put a re-emphasis on individual and family morals. Fair play between economics and management is demanded of this age which looks forward to world peace based on the brotherhood of man. He concluded his pungent message by saying that the type of age depends on the pioneers that head it. His challenge to Alpha Chi's pre-sems was to be pioneers in that age.

A simple but impressive installation service was also held, during which time Rev. William Miller of Hope's faculty installed the officers for the year '47-'48.

Dr. Schrier Speaks To Several Groups

Dr. William Schrier, head of the Hope College speech department, has scheduled a number of Commencement addresses as well as other speaking engagements during the closing weeks of the school year.

On May 13, he delivered an address before the Grand Rapids Women's Club at their annual luncheon. On May 15, he gave the Commencement address at Bear Lake, Michigan. Other Commencement

addresses on his schedule are: May 22 at Bridgman, Michigan; May 28 at McBain, Michigan; May 29 at Benzonia, Michigan; June 6 at Boyne City, Michigan; June 10 at Wakefield, Michigan.

Dr. Schrier will also speak at Alpena, Michigan, at the Rotary Club Luncheon for honor students from three Alpena high schools, on June 2.

Alcor Alumnae Holds Tea At Dean Lichty's

Alcor, women's honorary society, held its last regular meeting at the home of Miss Laura Boyd on May 21st. On Monday, June 2, Miss Lichty will open her home for the Alcor Alumnae Tea.

Pre-Sems To Have Summer Ministries

Dr. Simon Blocker, director of Student Preaching at Western Seminary has announced that some of Hope's Pre-Sems will be doing pastoral work this summer during the school vacation. This work consists of not only preaching, but also going into newly built areas with the hope of eventually establishing a Church in the area. Dr. Blocker stated.

The appointments that have already been made by Dr. Blocker are as follows: Chester Droog, Packard Gospel Center, South Haven, Mich.; John Arnold, East Fruitport, Mich.; Robert Schuller, Orchard View, Muskegon, Mich.; John Smith, Alamo Mission, Kalamazoo, Mich.; Earl Kragt, Wibleton, N. D.; Peter Breen, Marietta, Minn.; Warren Hietbrink, Monroe, Minn.

For several weeks classes have been held in the Seminary classroom building, Dr. Blocker being the instructor for the group. At these meetings practical advice is offered for the contacting of people, and help is given for the preparation of sermons.

Mod. Language Club Agrees To Disband

At a meeting on May 5 the Modern Language Club decided to discontinue the group meetings of the French, Spanish, and German sections and divide into separate clubs as in previous years.

One reason for this disbanding is that it was felt that the organization has not filled the expectations which were formerly thought possible. It was further believed that by having sections of their own, each group could interest more people and meet the demands of its particular group.

The French club appointed Lois Van Wyk as chairman for their first meeting. Dick Brown will be the temporary chairman for next fall's meeting of the Spanish club. The German club elected officers, who are Helen Wagner, president; Virginia Hemmes, vice-president; and Shirley Visser, secretary. Leona Doorenbos was appointed reporter.

The French division had charge of the May 5th program which consisted of two films, "Along the Riviera" and "Glimpses in the Heart of Paris."

Sparling Presides Over Eng. Majors

Dr. DeGraaf's home was the scene of the English Majors final meeting of the year, on May 13. Leon Sparling of Schuylerville, New York, was elected President for the coming year.

The meeting was based around a program on John Steinbeck with Luella Pyle as chairman. Howard Zandbergen presented Stienbeck's biography. Several reviews of Steinbeck's various novels were given: "Of Mice and Men," Ruth Tallman; "The Moon Is Down," Mary Ellen Brower; "The Grapes of Wrath," Luella Pyle; "The Wayward Bus," Leon Sparling.

A letter which Leon Sparling received from John Steinbeck in regard to his latest book, "The Wayward Bus" was read to the group.

Sing To Terminate YM-YW Activities

At the meeting of May 20, the YMCA held a musical program in the Chapel basement. The program was entirely musical in nature and the representatives of each of Hope's fraternities presented musical selections.

The last meeting of the year, May 27, will be a joint meeting with the YWCA, concluding the year's "Y" activities. The meeting will be an outdoor hymn sing in the Pine Grove located practically in the center of Hope's campus. As yet the song leader has not been announced.

The committee in charge of the hymn sing has advised the bringing of blankets or other suitable equipment on which to sit. Because of the outdoor nature of the meeting no chairs will be provided.

She served for two years as
Vice-President and two years as

Alcor Society Resigns Management Of Kletz

As we continue to enjoy our cup of coffee and doughnuts, or the date at the Koffee Kletz, many of us are unaware of the fact that the management has changed hands. With exams and other events approaching, our busy Alcor members decided to close the Kletz on May 9. Happily for us the Business Office of our college took over and kept the Kletz open for us. Mrs. Rowan with some student help will continue to serve us until the end of the year. This is an experimental arrangement which may continue for the next school term. We are, however, assured of a Koffee Kletz next September.

YW to Give Breakfast For Hope Senior Girls

The senior girls will be given a breakfast by the Young Women's Christian Association on Saturday, May 31st. This breakfast, which is an annual occasion, is in charge of Carolyn Ingham, the social chairman for the YW. The breakfast will also be attended by the women faculty members.

News For Veterans

Leave Pay Deadline

Officials of the Veterans Administration Branch Office in Columbus, Ohio, today reminded World War II veterans of the September 1, 1947 deadline for filing claims for settlement of unused military leave.

All veterans who have not applied for their terminal leave payments are advised to act immediately to avoid delays which might result from an increased number of applications just prior to the deadline date. Application for unused terminal leave should be made to the branch of service concerned and not to VA.

Validity of Wills

Student veterans are advised by VA to consult their own attorneys concerning the present validity of wills which they may have signed while in the armed service.

VA officials explain that war-time wills may not be valid in the state where the veteran now resides. Also, it is pointed out that a war-time will in many cases may not serve the current intentions of a veteran since his return to civilian life.

Vets Course Changes

Student veterans wishing to make a change in the course of training they have been pursuing under the G.I. Bill must make such a request in writing to VA.

If the student veteran has not been successful in his original training program, arrangements are made for him to meet with a VA vocational advisor to discuss the requested change and entrance into a new training program.

Should the vocational advisor feel that the veteran can proceed satisfactorily in his newly chosen field, a supplemental Certificate of Eligibility will be issued indicating the remaining amount of training to which the veteran is entitled.

Advices Vets Against Excessive G.I. Loans

World War II Veterans should seriously consider their present and estimated future income and expenses before negotiating G.I. loans, George C. Sturgeon, loan guaranty officer for the Veterans Administration Branch office in Columbus, Ohio, advised recently.

"Before a veteran decides on a definite home, farm or business property, he should know something about the amount of loan he will be permitted to obtain under the G.I. Bill and the approximate monthly payments he will have to make," Mr. Sturgeon said.

He explained that the accepted standard used by many lending institutions is that no loan should exceed a figure two and one-half times a veteran's annual income. In other words, if a veteran's annual income is \$3,000, the maximum loan should be about \$7,500. Another standard is that a veteran's monthly loan payment should not exceed his income for one week. In this case, he should pay no more than \$50 monthly on his loan with a weekly wage or salary of \$50.

"In addition to loan interest, taxes and insurance, veterans should remember that they often may have other expenses connected with the property for repairs and general upkeep," he pointed out.

Why?

The tree next door is mighty big, It's trunk is wide and strong, It's leafy arms raise up each twig To join the heavenly throng. Our tree is not as tall and wide, And yet, the birds nest here, And with their young do safe abide, I think, to God more dear.

Perhaps God means the strong are weak If they do not their power resign To useful service at His feet When He declares to them: "You're mine!"

Ginny Hemmes

G.I. Insurance

Insurance officials at the Veterans Administration Branch Office in Columbus, Ohio, today said that two-out-of-three World War II veterans in Ohio, Michigan and Kentucky, by allowing their G.I. policies to lapse, are by-passing nearly 10 billion dollars of insurance protection for their families and their dependents.

It is not necessary for veterans to reinstate or convert the full \$10,000 of G.I. insurance, VA officials explained. According to a veteran's budget, any amount from one to ten thousand dollars of insurance may be reinstated or converted to any one of the six permanent plans.

Veterans now have until August 1, 1947, to reinstate by submitting a comparative health statement and by paying two monthly premiums, regardless of how long their policies have been lapsed. Detailed information on all phases of G.I. insurance is available at any VA installation, or from local insurance agents, service organizations or Red Cross Representatives.

Miss Tarr Hears From Fr. Classes

Recently at the suggestion of her French students, Prof. Nella Meyer has provided a system whereby letters are sent to Miss Florence Tarr, former WAC and student at Hope College, who is under observation at the Detroit Hospital. Miss Tarr is very much interested in the French language, having spent much time in Shantilly, France. While at Hope she was a member of Miss Meyer's class. At this time French dialogues were assigned to the various students, and now the students are sending her letters concerning their particular dialogues.

Miss Meyer set aside one class period for letter writing to Miss Tarr, and now these letters are being sent to her. Plans are being made so that she will receive these letters throughout the summer months. Anyone interested in corresponding is cordially invited to do so, for all letters from Hope students are welcome.

Miss Tarr's address is 1770 West Forrest, Detroit, Michigan. Letters may also be placed in the box in the library at the Circulation Desk.

May Whirl Catches Alpha Sigma Guests

The Alpha Sigma Alpha Sorority gave a formal dinner-party Saturday evening, May 3, at the Women's Literary Club.

The theme of the party was the May whirl. The Literary Club was transformed into a lovely garden complete with a rose covered trellis, a wishing well, May poles, and spring flowers. After the dinner a program consisting of six musical numbers was given: Indigo Duo, Gay Age, Dream Schemes, Spring Souvenir, Park Rhythm, and Good Night. Sonny Donahue acted as mistress of ceremonies.

Dorothy Milne was general chairman, assisted by Barbara Eilander, refreshments; Marion Reichert, table decorations; and Lois Rameau, favors and seating arrangement.

Faculty guests were Professor and Mrs. Edward S. Avison, Professor and Mrs. Harold J. Haverkamp, and Mr. James Eshleman, and Miss Helen Cook. Two hundred and ten guests attended this function.

Arcadians Skate At G. R. Coliseum

Saturday, May 10, the Arcadian Fraternity held its spring informal party at Grand Rapids. It was "Rolling and Roaming" from noon till midnight. In the afternoon the Arcadians and their guests roller skated at a private party at "The Coliseum." In the late afternoon a treasure hunt was held at Johnson Park in Grandville. Six groups of several couples each, participated; and six one-pound boxes of candy were presented as prizes.

Dinner Service in the Park Lounge was given by the Grandville First Reformed Church. The menu included: potato salad; meat loaf; vegetable salad; hot rolls; milk; and peach pie a la mode. In the evening, a program was given around the fireplace in the park lounge, which included selections by the Arcadian Four composed of Bill Miedema, Warren Heitbrink, Ken Leetsma, and Bob Schuiler. Also included were a skit by Hank Kieft and Jim Van Dyke assisted by Dan Geary. The songfest was led by Ken Leetsma. Bill Miedema did an excellent job serving as M. C.

President Harold Des Autels thanked this year's executive committee for its fine service to the fraternity and introduced the newly elected executive committee for next fall. The new president is: Virgil Dykstra; vice-president, Jack Stegeman; secretary, Hank Kieft; treasurer, Kenneth Leetsma; interfraternity representatives, Bill Geiger and Ted Flaherty; student council representative, Marvin Kragt; and sergeants-at-arms, John Arnold and Alex Ebneith.

From nine to eleven, various games were played. A lunch was served. Around midnight, the Arcadians and their guests were rolling home. Chaperones were Mr. and Mrs. Brand and Mr. and Mrs. Haverkamp.

WARM FRIENDS of Hope College

Art Van Eck Leads In Knick Elections

Close races were staged for all fraternity offices when the Knicks held their election meeting on May 22.

To lead them through the coming fall term the Knicks elected Art Van Eck as president. To assist him in his duties will be Warren Eichelberg, vice president; Tom Van Dahm, secretary; Lloyd Van Raalte, treasurer, and Warren Huyser, sergeant at arms.

To represent the fraternity in college affairs the fraternity elected Anno Vander Kolk as student Council representative and Phil Meengs as inter-fraternity representative.

During the remainder of the meeting all the old business was removed from the agenda. The meeting concluded with Ed Kassig being appointed chairman of a committee to draw up plans for an alumni bulletin and Tom Van Dahm being appointed chairman of a committee which will rewrite the present constitution.

Ice Cream Tickles Theta Appetites

On May 9, Thesaurians gathered at the home of Martha Van Saun for a Theta Soda Jerk. Chief Jerk Eunice Heinen opened the meeting and proceeded to serve members with their favorite calories.

Barbara Archer, entitled Sundae, very ably led devotions. Dixie Cup, by Eunice Heinen, consisted of a serious paper on the origin of the ice cream cone. The man who wrapped his waffle around his dip of ice cream instead of eating it the ordinary way started a practice which has become a familiar sight today. Marian Slinn entertained with Fudge Ripple, the rendition of a piano composition. Buffalo Nut introduced Dot Davenport who tickled the palates of Thetas with her humor paper. Banana Split, entitled the comments of Ann Fikse, who was master critic for the evening.

At the close of the meeting a happy indigestion was wished to all with the serving of strawberry shortcake and ice cream, everyone's favorite.

Cosmos Remedy Spring Fever At Spring Lake

Cosmopolitan fraternity members and their guests enjoyed a day of relaxation at their annual spring party which was held at Spring Lake Country Club, Saturday, May 10. The party which was informal had as its theme "Spring Fever." Golf, tennis, soft ball, horse back riding and croquet were included in the afternoon program.

Dinner was served in the main dining room of the club with candle light lending a homey atmosphere. Green decorations were used to garnish the tables with the fraternity colors. Green and white programs were found at each place describing the menu and the social evening which followed.

James Hoffman gave the invocation, followed by a word of welcome by Cosmopolitan President Charles Knooihuizen. Chaperones were Mr. and Mrs. Clyde Geerlings and Mr. and Mrs. Robert Cavanaugh.

Alumni were invited. General chairman for the event was Russ Cloetingh. Others working with him were Jack Robins, Bill Leverette and Dave Bogard.

Dr. Zwemer Talks At Frater Meeting

The Fraters entertained a famous Frater alumnus, Dr. Samuel Zwemer, at a recent literary meeting. Dr. Zwemer, now eighty, was a missionary to Arabia for many years and is a world authority on Mohammedanism. Dr. Zwemer told some warmly received jokes and then went to a more serious vein. He spoke for a short time on "Three-Dimensional Living."

The Fraters were favored with several special musical numbers by Miss Joan Ten Hoeve. Frater Schriemer, a senior, presented his philosophy of life. The Humor number was given by Frater Barnedse. He read a lengthy poem on the "Dog" and some of his peculiarities.

During the business meeting Dr. Zwemer wished to know whether or not the Frater Frolics would be a strictly moral show. Upon the assurance that Miss Lichty would have to pass it he bought a ticket for his wife. Frater Howie Koop, the master critic for the evening, had many amusing comments with which to end the meeting.

Arcadians Harmonize With Sibylline Artists

The Arcadian Fraternity and The Sibylline Sorority held a joint meeting on May 9. The meeting opened by an exchange of welcomes by the two presidents, Phil Haskin and Harry DesAutels. Devotions were read by Harriet Muyskens and The Lord's Prayer was sung by Alice Marie Parrott. The program was opened by the master of ceremonies, Vergil Dykstra. The Arcadian Four, which was composed of Bob Schuller, Warren Heitbrink, Ken Leetsma, and Bill Meedima, sang several selections. Alice Marie Parrott offered another solo. This was followed by two cornet selections by Cal Swart. Group singing was next on the "Sing" program, and this was led by Ken Leetsma. The final number was a sextet of Sibyllines: Harriet Muyskens, Harriet Hains, Anne Van Eck, Marion TerBorg, A. M. Parrott, and Phil Haskin. The meeting was adjourned and refreshments were served.

Carrousel Whirls Delphians, Guests

Members of Delta Phi and their guests rode on the "Delphi Carrousel," May 9 at the Spring Lake Country Club. Audrey Reagan was chairman of the informal event.

Golf, tennis, baseball and other outdoor activities were enjoyed in the afternoon. A buffet supper was served at 6:30 p.m. in the club house from tables decorated with gay spring flowers.

Muncie Vande Wege acted as Mistress of ceremonies of the carrousel show. Each whirl of the carrousel brought the audience to a famous fairway attraction.

The carnival girl revue featured the Delphi sextet, composed of Judy Mulder, Claire Wierenga, Barbara VanDyke, Elaine Meeusen, Mary Ellen Brower and Iris Vande Bunte, who sang two numbers. A modern melodrama by Dee Davis, Betty Boelkins, Lois DeKleine and Ruth Jorgenson was viewed in the Penny Arcade.

Miraculous Maestro, Gerry Hirschy appeared "by special arrangement," to play two cello solos. Peggy Prins, in appropriate garb, foretold the future of guests as the crystal gazer. Audrey Reagan, as the Dancing Doll, appeared in a tap dance number.

Music for the evening was provided by The Solidaires. Faculty guests were Mr. and Mrs. Alvin Vanderbush and Mr. and Mrs. E. E. Brand.

Committee chairmen were: Marie Buttlar, program; Shirley Visser, finance; Alma Vander Hill, programs; Carolyn Ingham, invitations; Millie Vermaire, food, and Elaine Ter Haar, chaperones.

Dorians Gather At Andre's Farm

Informality and fun may best describe the Dorian party held Friday, May 9. Guests arrived at Andre's farm in Grandville in dungarees and plaid shirts in time for a baseball game about five o'clock and a light supper in the loft of the barn. Preliminary exercise was afforded in climbing the vertical ladder, and this was supplemented by later pushing around and sliding on the bales of slippery hay.

Entertainment consisted of a scavenger hunt, informal games, and group singing. Later in the evening, "swing your partners" in Bill White's lusty voice alternated with less boisterous music, such as Stardust and Deep Purple.

Each guest received a small flashlight for use on the scavenger hunt in the early evening. Mr. and Mrs. Charles Steketee were the special guests for the party.

Sophs Shower Sorosite Sisters

The Sophomore Sorosites presented one of the most outstanding meetings of the year when the Sigma Sigma sisters gathered on May 9. With Vice-President Glenna Gore taking over the business meeting plans for the coming spring party were made.

Tony Fredricks, in charge of the program, drew "oh's" and "ah's" when she distributed dainty umbrellas which announced "Sophomore Showers." After the devotions, "April Showers" was sung by Jean Snow, our favorite songstress. The humor paper, "Thunder and Lightning," by Jean Mihaly and Bea Lockwood, gave a hilarious preview of party doings. In keeping with the theme was Jean Sibley's serious paper recounting the history of the umbrella. Last, but not least, was Stormy Weather in the person of Jan Joldersma.

The meeting adjourned after refreshments and the singing of the Sorosite songs. A recent addition to the sorority room is a table lamp given by the sophomore members.

HOPE WINS ALL-SPORTS TROPHY

Two Firsts, One Second, Two Thirds Clinch Award

After the conference track meet last Saturday night Hope College was presented with the much coveted All-M.I.A.A. Athletic Trophy. Coach Hinga, director of athletics at Hope, accepted the trophy for the school. The presentation was made by Queen Myra Brower.

The points toward the award were determined equally by the five M.I.A.A. sports. A first place received 10 points and so on down to 2 points for fifth. Hope had 40 out of a possible 50 points. Her closest rival was Albion with 31 points. Hope's points were earned by firsts in basketball and golf, a second in tennis, and thirds in track and football. Kalamazoo looked very strong up to golf and track but picked up only two points in these two sports. Adrian came in last failing to place higher than fifth in anything.

This is the first presentation of the Athletic Trophy since the war. Hope would have won it in 1943 had it been given. Hope last won it back in 1938.

Before last Saturday's track meet many other trophies and medals were handed out. Russ De Vette accepted the basketball trophy. Howard Jalving accepted the one for golf. Jalving also received a medal for low medalist in the golf tournament. Becksfort and Zwemer received medals for taking third in the tennis doubles. The golf team got awards for placing second in the final meet. While the track meet progressed the runners received medals for the first five positions in each event.

It is better to wear out than rust out.

The reason a lot of fellows are bachelors is because they fail to embrace their opportunities.

Hope Defeats J. C. 7-5 In Wild Contest

Combining a sudden fit of wildness on the part of the opposing pitcher with some wild base running, the Hope College baseball team pushed across five runs in a big sixth inning rally to nip Grand Rapids Junior College 7-5. The game was played in Grand Rapids.

Harold Van Wieren started pitching for the Dutchmen and did very well at first. However two errors in the infield, a walk, and a hit netted the Raiders three runs. Don Mulder moved in from shortstop and stopped the rally.

Previous to this, Hope had gone into the lead 2-0. The first score came on Van Wieren's tremendous high fly which the left fielder dropped. Van Wieren had made second and continued around to home when the shortstop threw wildly to third. The Dutch tallied their second run in the fourth inning on a long home run to center by Van Wieren.

Trailing 3-2 the Dutch put on their final rally in the sixth on a hit by Mulder, walks to Rotman Van Wieren, and Higgs, a fielder's choice, and a hit by Brieve. Van Wieren again scored in the inning by stealing home.

In the seventh inning Grand Rapids started a rally that netted two runs, but it fell short of tying the score as Mulder struck out the last batter.

HOPE010 105 0-7
G.R.J.C.000 030 2-5

The first post-war interfraternity track meet will be run off tomorrow afternoon. Above is the start of the 220 in last year's interclass meet. From left to right are Pontier, Evers, Kraai, Ingham, and Drew.

Tennis Team Cops Second As Kazoo Reigns Supreme

The Hope College tennis team accomplished all that was expected of them as they took down second place in the conference. Kalamazoo, the heavy favorites, had no trouble taking first again. In the final tournament none of their men were defeated by men of other schools. Albion came in third followed by Alma, Adrian, and Hillsdale.

Hope, despite a rather poor draw, took three points in the final match. These along with eight points for season matches were enough for second. Kalamazoo ran up twenty seven points by various means. In the final tournament one point was given for each victory after the first round.

In singles Ligthvoet defeated Winchell, Hillsdale's No. 1 man, 8-6 2-6 6-4 in the 1st round and Slager, Albion's No. 1 man, 6-2 4-6 6-2 in the 2nd round. He then fell to

Sunderland of Kazoo 6-0 6-1. Tirrell drew a bye and defeated Nichols of Albion 6-1 6-1 in the 2nd round before Hetzch of Kazoo defeated him 6-0 6-0. Scholten lost to Mantion of Kazoo 6-3 6-2, Becksfort lost to Beresky of Kazoo 6-0 6-0, and Zwemer lost to Harsen of Alma 7-5 6-4.

Scholten and Tirrell drew a bye in doubles but were defeated by Lugthen and Beresky of Kazoo 6-2 6-1. Becksfort and Zwemer defeated Mayne and Frevert of Albion 6-2 6-4 and Foley and Winchell of Hillsdale 6-2 6-2. Sunderland and Hetzch of Kazoo then defeated them 6-1 6-0 in the semi-finals. In the compensation match for third place Becksfort and Zwemer defeated Slager and Nichols 8-10 6-0 9-7. This win over the Albion No. 1 team gave them the third place conference medals.

THEY DID IT! The teams really came through, and the TROPHY's "home." Hope finally broke the Kazoo jinx. The football team went down there last fall and got beat 13-0. The basketball team played their sloppiest game down there and got trimmed 51-45. But things were different last Friday. Even Coach Hinga was smiling by mid-afternoon. Kazoo really took it on the chin. Well let's go back and see how it all happened.

The tennis team was first. It was decided by Thursday evening. Hope admittedly got a bad draw. Scholten and Becksfort ran into Kazoo men (the "untouchables") before they had a chance to pick up points. Zwemer drew Alma's No. 1 man and lost in a close match. Albion was overjoyed. They forgot, however, to figure on Johnnie Ligthvoet. He eliminated their No. 1 man in three sets. He had previously set down Hillsdale's No. 1 man. Tirrell had one easy match but then also hit Kazoo. In doubles, it was the same story. Hope's No. 1 team drew Kalamazoo first and were naturally out. Becksfort and Zwemer went through to the semi-finals however and made up for it. Thus Hope proved that barring Kazoo they had easily the best and most balanced tennis team in the conference, and got a well earned second.

Golf was much too close for comfort. The first eighteen holes were played Thursday in rather cold weather. Scores were high. Four teams finished within five strokes of each other. Hope led by one stroke. Holkeboer was the only man to break eighty. On Friday it was Jalving's turn. His 73 really saved the day for Hope. The weather was perfect and every team but Albion bettered their first day scores. Luckily for Hope it was Hillsdale that beat us out, because they had only two wins during the regular season. Of course we could go into a few if's and easily show how Hope should have beaten Hillsdale in the meet too but I think everyone is happy enough the way it is. Mulder and Elhart also did a fine job as they cut their scores down five strokes the second day.

And finally track. The meet was really run off smoothly. Everyone down there enjoyed it a great deal. At the halfway mark Hope didn't look much better than a fifth. However those ten plus points in the pole vault and relay did the trick and nosed out Hillsdale for third. I guess we have complained too much and been too pessimistic over the track. They really proved they were an up and coming team. Most of them will be back next year. All their times dropped fast and steadily throughout the year. That seven seconds the relay team knocked off at Kazoo was probably the most outstanding.

All Sports Standings						
Sport	Adrian	Albion	Alma	Hillsdale	Hope	Kazoo
Football	0	3	3	9	6	9
Basketball	2	8	4	0	10	6
Tennis	2	6	4	0	8	10
Track	2	10	8	4	6	0
Golf	0	4	7	7	10	2
Totals	6	31	26	20	40	27

Thinclads Capture Third In One-sided Track Finale

Albion had little trouble taking their second consecutive track championship. Hope finished fully as high as was expected as she came in third. Albion was way ahead in points with 72 11/14. Alma was a poor second with 39 6/7. Hope had 34 13/14 points for her third. Following Hope were Hillsdale — 32 points, Adrian — 25 3/7 points, and Kalamazoo — 20 points.

The first places were very evenly distributed. Albion took four followed by Alma, Hope, and Adrian with three each. Albion placed at least a fourth in every event. Hope failed to place in the Javelin, Broad Jump, 880, and Mile. There was a seven-way tie for second in the Pole Vault which caused the irregular figures in the scores.

Hope showed the greatest improvement in the Relay. They cut over five seconds off their previous best running time. Brewer ran the 440 in under 54 seconds. His best time had been 54.2.

Hopkins of Albion broke the meet High Jump record with 6 ft. 1 1/2 in. The old record was 5 ft. 11 1/2 in. Edwards came within one tenth of a second of the 120 High Hurdles record.

Summary:
Pole Vault — 1st Lamb (Ho), 2nd (seven way tie), Height 11 ft.
High Jump — 1st Hopkins (Alb), 2nd Tiexeria (Alm), 3rd De Vette (Ho) and Miller (Alb), 5th Morton (Ad). Height 6 ft. 1 1/2 in.
Javelin — 1st Lemke (Alm), 2nd Ketchum (Alb), 3rd Gwyn (K), 4th Reed (K), 5th Green (K). Distance 164 ft.
Shotput — 1st Emery (Ho), 2nd Currie (Alb), 3d Christen (K), 4th

Roseman (Ad), 5th Martin (Alb). Distance 42 ft. 4 1/2 in.

Mile — 1st Larson (Ad), 2nd Honess (K), 3d Nisbet (Alm), 4th McDonald (Alb), 5th Schnellenburger (Alm). Time 4' 36.6".

440 — 1st Williams (Hi), 2nd Van Schoik (Alb), 3d Katz (Hi), 4th Brewer (Ho), 5th Kuehn (Hi). Time 53.1.

100 — Kraai (Ho), 2nd Young (Hi), 3d Smith (Ad), 4th Mulligan (Alb), 5th Bauer (K). Time 10.1.

120 High Hurdles — 1st Edwards (Alb), 2nd Rydholm (Alb), 3d Roseman (Alm), 4th Miller (Alb), 5th Formsma (Ho). Time 15.6.

880 — 1st Ward (Ad), 2nd Brown (Alb), 3d Brown (Alm), 4th Marks (Alb), 5th Carley (K). Time 2' 04.2".

Discus — 1st Roseman (Alm), 2nd Dellar (Alb), 3d Harsh (Ad), 4th Veltman (Ho), 5th Athey (Alb). Distance 115 ft. 5 1/2 in.

Broad Jump — 1st Williams (Hi), 2nd Edgar (Alm), 3d Young (Hi), 4th Freuhauf (Alb), 5th Roseman (Alm). Distance 20 ft. 2 1/2 in.

220 — 1st Smith (Ad), 2nd Young (Hi), 3d Kraai (Ho), 4th Mulligan (Alb), 5th Williams (Hi). Time 22.6.

Two Mile — 1st Nisbet (Alm), 2nd McDonald (Alb), 3d Honess (K), 4th Paul (Ho), 5th Dykema (Alm). Time 10' 33.3".

220 Low Hurdles — 1st Edwards (Alb), 2nd Rydholm (Alb), 3d Kenny (Hi), 4th Roseman (Alm), 5th Decker (Ho). Time 26.1.

Mile Relay — 1st Albion, 2nd Hope, 3rd Hillsdale, 4th Kazoo, 5th Alma. Time 3' 34.9".

Hope Golfers Take Title; Are Second In Final Meet

Hope's golfers won the M.I.A.A. golf championship last week-end in Kalamazoo. They took second in the two-day All-Conference meet held at Kalamazoo Country club. This coupled with four dual meet wins earlier in the season was just enough to bring home the title. Hillsdale took first in the Kazoo meet, but won only two matches during the regular season.

Teams received 10-8-6-4-2-0 points for their places in last week's meet. Two points were awarded for each dual match victory. This gave Hope 16 points and Hillsdale 14.

At the half-way mark last week Hope led with 334 strokes. Alma and Albion followed closely with 335 and 336 respectively. Hillsdale had 339. Holkeboer of Hope took medalist honors for that day with a 76. No one else broke 80.

The final day saw Hillsdale come up strongly to nose out Hope by 1 stroke. The final standings were: Hillsdale 660, Hope 661, Alma 664, Albion 676, Kalamazoo 686, and Adrian 814. Jalving shot a brilliant 73 for Hope in the closing round and walked off with the medalist honors with a 154 total. Holkeboer of Hope, Moore of Alma, Olhmacher of Hillsdale, and Larson of Kazoo tied for second low medal with 163.

Individual scores:
Hillsdale — Connly 82-83 165, Nickels 89-76 165, Frye 84-83 167, Olhmacher 84-79 163.

Hope — Jalving 81-73 154, Holkeboer 76-87 163, Elhart 89-84 173, Mulder 88-83 171.

Alma — Moore 83-80 163, Bedford 86-83 169, Kegel 85-82 167.

to teach at Hope College.

He is the author of many scientific publications which have appeared in such leading scientific journals as: *The Journal of the American Medical Association*, *Journal of Infectious Diseases*, *Journal of Parasitology*, *Science*, *Anatomical Record*, *Journal of the Canadian Medical Association*, and *Journal of the American Veterinary Medical Association*, and is co-author with Dr. George R. LaRue, his former teacher, of an article in the *Archives of Pathology*. His biography appears in *Who's Who in American Education*, *American Men of Science*, and *Hollanders Who Help Build America*.

Dr. Lubbers, Hope's President, is enthusiastic about the future possibilities of the Biology Department. With the cooperation of Dr. Vergeer, plans have been completed for the expansion of the Department, to include the construction of a museum, storeroom, and animal room on the fourth floor of the Science Building.

Dr. Vergeer is not the only faculty member who has had an opportunity to join a large educational institution. Dr. Kleinheksel a few years ago declined an offer of the University of Illinois, Professor Kleis turned down a similar opportunity, and doubtless, others have refused like offers.

Contest Continued
